TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

The trustees present their report and financial statements for the year ended 31 March 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects are to conserve, protect, enhance and rehabilitate salmon, sea-trout and trout and other indigenous wildlife and to promote the ecological cycle within the Deveron catchment area and to raise people's awareness of conservation and protected areas by commissioning research and publishing the results for the public's benefit. The significant activities that contribute to the achievement of objectives for the year were as follows; conduct electro-fishing surveys of the River Deveron and its tributaries; operate smolt traps on the River Deveron and Blackwater; collect and analyse adult salmon data from the Deveron District; conduct a salmon smolt tracking project to determine the mortality rate in the river.

Achievements and performance

The incoming resources of the charity for the year amounted to £261,312. This includes donations and grants of £141,392 and income from charitable activities of £89,846. The expenditure incurred amounted to £229,872 which, together with a deficit of £7,541 on revaluation of investment, gives rise to an overall surplus of £23,899.

Funds are obtained where possible for priority projects. This year saw continued funding from the Scottish Invasive Species Initiative (Scottish Natural Heritage and Heritage Lottery Fund) for invasive species control. Funds were also raised from our bi-annual fundraising dinner (Sundown on the Deveron) held in September. The Trust also obtained grant awards from the Scottish Government to complete 30 electrofishing surveys for juvenile fish as part of a larger national programme and also for contributing information towards the national fishery management plan.

Financial review

The net assets of the Trust at the year end are £302,752 comprised of unrestricted funds of £181,641 and restricted funds of £121,111.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for the future

The Trust and the River Deveron District Salmon Fishery Board will continue work under the steer of our Fisheries Management Plan (FMP) to address the declining numbers of salmon and sea trout locally. The FMP focuses on the following; 1. Illegal fish poaching 2. Predation 3. Fish disease 4. Genetics 5. Invasive non-native species control 6. Water quality 7. Water quantity 8. Climatic warming 9. Instream habitat 10. Riparian vegetation 11. Fish passage and 12. Inshore marine habitat.

Our work will continue in 2020/21 with electrofishing monitoring contracts, juvenile fish surveys and habitat restoration projects such as the Crooksmill burn on the river Isla. The Trust will continue to work with SEPA and Pernod Ricard to plan and install fish passage solutions on the river Isla in Keith. Invasive species control will continue throughout the catchment in collaboration with the Scottish Invasive Species Initiative.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

Structure, governance and management

The charity is a company limited by guarantee not exceeding £1 per member.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

J S Cruickshank OBE (Chairman)

D J Borthwick

R A Cooper

M C Hay

F R Henderson

R J G Shields

75% of the nominated members are entitled to appoint or remove trustees.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE DEVERON, BOGIE AND ISLA RIVERS CHARITABLE TRUST

I report on the financial statements of the charity for the year ended 31 March 2020, which are set out on pages 4 to 16.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of The Deveron, Bogie and Isla Rivers Charitable Trust for the purposes of company law, are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investments (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;

have not been met or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

STATEMENT OF FINANCIAL POSITION (CONTINUED) AS AT 31 MARCH 2020

	2020		2019	
Notes	£	£	£	£

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2020.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Trustees on 30 June 2020

S Cruickshank OBE (Chairman)

Company Registration No. SC222802

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

Charity information

The Deveron, Bogie and Isla Rivers Charitable Trust is a company limited by guarantee incorporated in Scotland. The registered office is The Offices, Avochie Stables, Avochie, Huntly, Aberdeenshire, AB54 7YY.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Income from services is recognised depending on the stage of completion of the project.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Grants receivable are recognised when the award is made or when any conditions attached to the grant have been met.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.5 Resources expended

Expenditure is recognised on an accruals basis to match the cost of a service to the period to which it relates. Expenditure includes irrecoverable amounts of VAT where relevant.

1.6 Property, plant and equipment

Property, plant and equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings

5% straight line

Plant and equipment

10% to 15% reducing balance and 20% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Non-current investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of non-current assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Inventories

Inventories are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.12 Taxation

The charity is not subject to taxation.

1.13 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.14 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

The Smolt tagging project was to tag and monitor the number of smolts in the river system. The improvement fund is to finance major works contributing to the wellbeing of the river system. The Scottish Invasive Species Initiative (SISI) is to control and remove non-native invasive species from the river system.
